

Based upon a review of the record, the Commission finds that a formal prehearing conference before the Commission should be held to define the scope of the present dispute between the parties and to limit the issues to be tried at a final hearing on the merits.

Accordingly, IT IS HEREBY ORDERED as follows:

1. A formal prehearing conference will be held in Hearing Room 1 of the Commission's offices at 211 Sower Boulevard in Frankfort, Kentucky on July 5, 2018, at 1:00 o'clock p.m.
2. Muhlenberg Water District shall have present at the conference its senior management employee and its engineer, Robert Pickerill of Bell Engineering.
3. Counsel shall be prepared to discuss all known and anticipated issues of fact and law relevant to the dispute between the parties as well as proposed discovery and briefing deadlines and dates on which a final hearing can be held.
4. On or before June 25, 2018, each party shall file a map or plat depicting the route it proposes for a pipeline to provide water to complainant's residence and proposed subdivision.

By the Commission
